

FIS Library News

The end of the year is approaching rapidly, so that means we are prepping for inventory! **All library books and fines should be paid by Friday, May 11.** Students may check their account online to see if they have any overdue books or overdue fines by going to www.gofollett.com. Once at this site, they login using FSSD+7 digit student id, and the password should be only the 7 digit id. Go to this link (https://www.youtube.com/watch?v=AAXI_CTxYqA) for a video on how to check your Destiny account!

*Students who do not have their books turned in and/or fines paid by May 11th will not receive their report cards. They also will not be allowed to attend end of the year field trips and activities. Please take care of missing items and fines before Friday, May 11th.

Spring Book Fair

Thank you for all of the support during the Spring Book Fair! We received a profit of \$1153! I will be using this money to purchase a subscription to Junior Library Guild. This company sends books every month from purchased categories! I will be purchasing books from 5 different categories! My goal is to provide a well-rounded library collection as well as books to support our curriculum at FIS!

Battle of the Books

The Battle of the Books Teams will be announced on Monday, April 9th! Our 5th and 6th grade teams will participate in the Battle of the Books at the Williamson County Public Library on Wednesday, May 9th during the school day!

Summer Reading

FIS does not have a required Summer Reading List. We do highly encourage all students to read at least 20 minutes a day! During May, I will send home a list of recommended reading. The Williamson County Public Library will begin registering children for their summer reading program towards the end of May! I will send home more information in May regarding their program!
